

No Smoking Policy

We comply with Health and Safety regulations and the Welfare policy of the EYFS in making our setting a no smoking environment, both indoors and outdoors.

All staff and volunteers are made aware of our policy, and we display no smoking signs where required.

Staff who smoke, do not do so during the working day unless they are on a break and off the premises. This includes the use of electronic cigarettes.

Staff who smoke make every effort to eliminate the odour and effect of passive smoking.

On outings all staff and volunteers must not smoke in the vicinity of the children.
